

## Sean Doyle

Sean has literally spent more years of his life as a Busby Cabinets' employee – nearly 30 years of service since 1986 – than he has outside of the company, and has worked in virtually every department at Busby Cabinets.

His current role, Central Region Field Superintendent, includes managing installation teams, jobsite management, and service and warranty calls.

Sean and his wife Nina (of 14 years) have three children (Dakota, Aiden and Anevay).
